DIDSBURY, ALBERTA, WEDNESDAY, FEBRUARY 28, 195

# **Outstanding Success**

The first annual bonspiel of the Midway Community Centre was Midway Community Centre was free five days of continuous curiling, and many close and interesting games were played. It was rumored that the best games were played, and the "glass," but the curiers themselves seemed to have the edge over the spectators then it came to centre of the continuous curiling, and many close and interesting games over the spectators when it came to centre of the came to community of the control of the came to contr

the money of the 21st.

The meeting closed with "Blest Be the Tie" and the Lord's Prayer, and the hostess, Mrs. Armstrong, served a delightful lunch.

#### **Masonic Bonspiel To** Be Held On March 7

The annual Masonic Bonspiel is to take place at the local curling rink on Wednesday, March 7, commencing at 9:00 a.m.

Twelve rinks have been chosen and a double knock-out competition will be played, with the finals scheduled for 7:00 p.m.

Ten-end games will be played throughout and the following morning draws have been made:

9 a.m.: Krueger-C. Reiber.

Studer-Haillday.

Law-W. Morton.

1 Pleury-Berscht.

Mortis-Richardson.

See draw sheet at rink for balance of games.

Gwen Clarke received word last week that she had passed her Grade One Theory with First Class Honors. Miss Jean Broadhurst is her teacher.

#### **Weber Still Working** On Home For The Aged

Un Home For The Aged

Mr. M. Weber is still working

Editor, The Didsbury Pioneer.

Editor. The Didsbury Pioneer.

Dear Sir:

I have watched with a great deal of interest the letters in your paper in regard to an Old Folis Home in the town of Didsbury. I wish to congratulate those who are taking the lead in this worthy cause, especially Mr. M. Weber, who I be proceed to the paper of the process of the

#### **Red Cross Canvassers** To Begin Immediately

March is Red Cross month with the annual appeal in Canada set at \$5,000,000. the Alberta quota \$1,000,000 and the Didsbury quota \$5,000. This means that our larger quota this year requires larger individual donations if we are to do our share in providing for the building up of a blood plasma bank for the control of the province and the control of the province and the our own to spital, province and Dominion.

Willed the blood donor section is only one of the many services provided by the Red Cross, it is the most essential when it comes to saving lives Besides this there is the outpost hospitals, emergency relief. Crippled Children's Hospital, etc. all of which require funds wommencing to make their calls for Red Cross donations and everyone is urged to give as generously as possible.

as possible.

BLOOD DONGR CLINIC

Besidos the Red Cross appeal for funds during March, this month also happens to be the month chosen for the Red Cross Blood Donor Clinic in Didsbury, the date being Thursday, March 22. The clinic will again be held in the basement of the Evangelical Church and facilities for the handling of donors are At the present time Mr. Art Reliber, chairman of the Didsbury Blood Donor Clinic, is registering all previous blood donors, and signing up new contributors, and anyone who has not been contacted but is willing to give 13 ounces or loss of blood to a worthy cause, should see Mr. Reliber immediately.

March is Red Cross month in Didsbury, Let us all do our part in making the campaign for funds and district.

#### **Enroll Now For The Blood Donor Clinic**

An intensive enrolment campaign by the Didabyr, Red Cross Branch, which has selected March 22 for its Blood Donor Clinic, is now underway and Mr. Art Reiber, chairman of the local committee, its making every effort to sign up as many every effort to sign up as many compared to those who have previously signed as blood donors, must now sign up again, so that new records can be compiled.

compiled.

In speaking of the Blood Transfusion Service Red Cross Officials say. This free service holds a spetial service service holds a spetial service service holds a spetial service.

It was a position which is seldom duplicated. Not profit but humanitarian principles are the motivation power behind the service.

A look into the Didsbury hospital reveals some of the benefits which free transfusions provide. Local donors need no longer be recruited to meet each emergency, of necessity a long and cumbersome process.

donors need no longer he recruited to meet each emergency, of necessity a long and cumbersome precess.

The cost of blood transfusions is completely eliminated, permitting nospitals to give more emergency and therapeutic treatment to part through the operation of a Red Cross Lattoratory which does Rinking through the operation of a Red Cross Lattoratory which does Rinkinessigations in maternity cases.

It has often been illustrated that the Blood Transfusion Service is a project where individual donor foresight combined with medical skill and knowledge go hand in hand the blood transfusion in the donation means life itself.

Citizens are requested to conferct. To the hospital patient, needing a transfusion, the donation means life itself.

Citizens are requested to conferct to the hospital patient, needing a transfusion, the donation means life a success on frusday. March 22. And remember, if you have not re-registered as a donor, you should do so immediately.

INVISIBLE GLOWE PROFECT HANDS

A London, England, firm has evolved a means, of protecting workers hands against irritable substances, A worker has merely to coat his hands with a teaspoonful of the cream, which acts as an invisible glove, substances such as tar, grease over powerful acids, none of which has any effects on the skin. A brief submersion in warm water and his hands are free of the injurious substance.

CANADIAN RED CROSS SUBSCEP, CONSIDERATION SET AT \$5,000,000

#### GET READY TO DIG DOWN

Get ready for a boost in income taxes, warns the Financial Post. Certainly, it sups. Canada's 1951. 52 tax policy is going to be ough. It's going to be as tough as the government thinks the public will bear, plus something extra as well as being nothing is so effective as taxation in hitting inflation. Canada will follow a rigid 'pay-as-you.go' policy for 1951-52. This is one place where we differ sharply from the U.S., where there is certain to be a considerable deficit next year.

#### CONTROLS ON STEEL FOR CONSTRUCTION ARE BROADENED

Controls on the use of steel for construction have been broadened to assure supplies for essential projects. Order No. 3, issued on Feb. turry 9, restricts the use of steel for a wide range of construction. Description with the was issued last Order No. 3 the which was issued last March 1, 1951, when order No. 3 replaces it. This extension is due to the increasing requirements of steel for urgent projects which are essential for the preparedness program.

steel for urgent projects used to urgent projects used to urgent projects used to the preparedness program.

Order No. 1 restricted the use of steel for a few types of construction, such as places of amusement, entertainment or recreation: construction for the merchandising; struction for the merchandising; or processing of tobaccos, cigartes, construction for the manufacturing or processing of tobaccos, cigartes, construction for the manufacturing or processing of tobaccos, cigartes, construction for the manufacturing or processing of tobaccos, cigartes, construction for the purpose of furnishing establishments, banks, construction for the purpose of furnishing personal services, construction for the purpose of storing, distributing or displaying consum-

# **Duties of Members**

The Agriculture Club of the Faculty of Agriculture of the University of Alberta is holding its second annual Visitors' Day on Saturday, March 3rd. Conducted tours will be giving them the opportunity to see the Campus and especially the educational and research facilities used by students in Agriculture in their training for a BSc. degree. In the distinct of the University Farm and the new modern properties of the Provincial and Dominion Departments of Agriculture and parents and farmers in the distinct, are invited. A free in their training and their training for a BSc. degree. In the distinct, are invited. A free in their training and their training for a BSc. degree. In the distinct, are invited. A free in their training for a BSc. degree. In the second man when the second man what he thinks of the skip of the rink and the skip of the rink an

Not impractical theories but demonstrable facts presented by the world's greatest benefactor to meet humanity's need, are to be discussed in Christian Science churches Sunday. The subject is "Christ Jesus". The Lesson Sermon includes sunday the subject is "Christ Jesus". The Lesson Sermon includes the following passages: "And, behold, there was a certain many for the subject in the subject with the subject of the subject o survives the sarcasm of his associates.

The Second Player—Mere Man

This second person is but a degree removed from the lead. He is exexpected to five the lead of the sexpected to keep the skip supplied with cigarettes and the third man with matches. He also must on all occasions get the rock he is to wick out otherwise he is blamed for loss of games. His chief duty is to see that the second of the sec

er of them in conversation except in cases of apparent oversight to ask, "Where is the bottle?" The Third Playes—A Gentlemen This gentleman is in a class by himself always. He can skip the playes of superiority over all leads and seconds and of more condescension to his skip. He does the remaining 10 per cent of the sweeping. He holds the brown for the skip to shoot, and should have tried the shot he, the should have tried the shot he, the should have tried the shot he, the chird man, had chosen and not the one he, the skip, had just missed. He is the person who uses the chalk for putting up all points made by his side (if any). He then gives the skip the occasional cigarette, lends for putting up all points made by his side (if any). He then gives the skip had person who uses the chalk for putting up all points made by his side (if any). He then gives the skip the occasional cigarette, lends of unsolicited advice and generally embarrasses and befuddles the skip as much as possible so that when the game is lost he can say with some apparent justification that he should be skipping. This is the highest compliment you can pay a third man, that he should be skipping that the highest compliment you can pay a third man, that he should be skipping the skipping that he highest compliment you can pay a third man, that he should be skipping the skipping that he highest compliment you can pay a third man, that he should be skipping the skipping that he highest compliment you can pay a third man, that he should be skipping that he highest compliment you can pay a third when the pay the skipping that he highest compliment you can pay a third when the pay the skipping that he highest compliment you can pay a third when the pay the skipping that he highest compliment you can pay a third when the pay the p 10:45 a.m.—Sunday School. 11:45 a.m.—Worship Service. WHOSE BUSINESS FIRST

Whose business will be hit first by the new defense boom, asks the Financial Post. It answers it this way: Construction, because of man-power and materials requirements there will be plenty of defense work for the industry, too. Those manufacturing industries along arge quantities of key defense raw materials for peace time goods will probably have to revise plans.
